QUVE Co., Ltd. Overview

QUVE Co., Ltd. is a Digital Twin Solutions provider and a leading innovator in digital dentistry, specializing in AI-powered design automation solution.

Our platform, **NeXways**, harnesses over 1,00,000 oral data sets to revolutionized dental prosthesis manufacturing with cutting-edge technology, including KFDA approved eco-friendly materials.

We believe **SMDC(Smart Mobile Dental Clinic)** is the future of Dental Clinic. We are trying to expand our business by using NeXways Platform, applied in SMDC.
